

REMARKS

The present amendment is being submitted in order to correct a minor informality in claim 7. No new matter has been added.

Please note that Figure 1 was printed in the corresponding published Application No. 2005/0023783. This figure is a conventional stroller and thus the Applicant requests that it not be printed on the front of the patent. Thus, also enclosed is a new figure 1 properly labeled as Prior Art.

Entry of this amendment is respectfully requested.

Respectfully submitted,

---
